

# FSU Online Digital Photography Course & Competition

**1st Prize  
Digital  
Camera**

Now the days are getting longer, it's an ideal time to put your photography skills to good use. FSU's online course on Digital Photography will provide you with the necessary practical skills to go out and enjoy taking photos whether you are a complete beginner or simply want to improve your photography skills. Simply log in or create an account at [www.unionlink.org](http://www.unionlink.org) to get started.

The course will teach you basic camera functions, how to use light and composition and other tips and guidelines for taking excellent photos.

Once you have completed this short course on Unionlink, you can enter FSU's Digital Photography Competition and enter the draw to win a digital camera and other prizes.

#### How to enter:

Visit [fsunion.org/photocompetition](http://fsunion.org/photocompetition) and submit your photo(s) in JPEG format

The competition is open from July 1st until August 31st 2020 and the winners will be announced on the website and contacted by email.

*\*By entering the competition, all members accept terms and conditions outlined on the webpage*

Should you need assistance with the course or have any queries, email [zara@fsunion.org](mailto:zara@fsunion.org)
